VISION

A leading university in the Asia-Pacific Region for global competitiveness and sustainable development.

MISSION

Advance transformational education in agriculture and other disciplines to produce empowered and globally competitive graduates.

Strengthen positive values to hone spiritually-anchored and environmentally-accountable individuals.

Uphold excellence and innovativeness through relevant research, responsive extension programs, and sustainable agricultural and industrial production.

GOALS

1. Develop responsive academic programs, support systems, proactive faculty and staff, and relevant student services addressing industry needs and changes.
2. Produce quality research with strong local and international partnerships that are responsive to the diverse needs of society.
3. Transfer relevant and research-based technologies and gender- responsive services responsive to needs of partner communities.
4. Increase resource generation and improve implementation of income generating projects.
5. Promote the integrated development of human and physical resources for good governance towards a unified and empowered faculty and staff.

CORE VALUES

L - Lawful Governance
I - Innovativeness
G - God-fearing accountability
H - Harmony
T - Teamwork
